Editorial Personnel

1. Reference is made to your memorandum to this office dated 4 January 1949, subject as above.

2. Your assumption that additional editorial personnel will be sent to the London Bureau to compensate for the reassignment of personnel, as outlined in our memorandum dated 14 December 1948, is correct. At the present time two editors in the Washington office are undergoing training with the possibility of a London assignment in view.
